Where the Lakes Meet the Mountains

Discover the beauty and charm of North Alabama, where stunning natural landscapes meet rich history and vibrant culture. From the rolling foothills of the Appalachians and sparkling lakes to hidden waterfalls and scenic trails, this region is a haven for outdoor adventurers and nature lovers. Travelers can explore charming small towns, savor authentic Southern cuisine, and experience unique attractions such as the **U.S. Space and Rocket Center**, the shopping mecca of **Unclaimed Baggage**, stunning natural areas found in the **Little River Canyon National Preserve** and **Dismals Canyon** and **world-famous recording studios** where artists like Aretha Franklin, Rolling Stones, Cher, Chris Stapleton and many others recorded. These are just a few places that provide visitors a unique experience that can only be enjoyed in North Alabama.

The Alabama Mountain Lakes Tourist Association (AMLA) is Alabama's largest regional tourism organization with over 500 members comprised of

- attractions
- festivals
- restaurants
- state parks
- hotels/motels
- treehouses
- cabins/campgrounds
- golf courses (including 3 Robert Trent Jones courses)
- retail outlets, and
- city & county tourism associations.

North Alabama gained recognition as the first destination in Alabama to achieve the "Destination Verified" status with Wheel the World, a global leader in accessible travel. This designation highlights the region's commitment to accessible tourism for travelers with physical, cognitive and invisible disabilities.
